limestone window surrounds | chimneys | staircases | entrances

CUSTOMISED DESIGNS

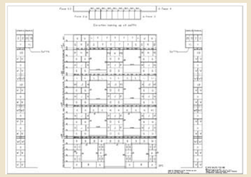
typical 40mm cladding

Creggstone supply and fix all types of stone cladding. We also cater for every type of finish including sanded, honed, bush-hammered, flamed and mechanical chiselled.

We use the traditional method of fixing as this offers greater flexibility when dealing with varying cavities.

Recent contracts completed include:

- 300m² of sanded limestone cladding at Dungarvan Shopping Centre.
- 500m² of bush-hammered limestone cladding at "The Court Yard", Fairhill, Killarney.
- 300m² of flamed and sanded limestone at Ballyconnell Credit Union.
- 300m² of sanded limestone finish at Allied Irish Bank, Rathgar, Dublin.
- 4500m² - 6000m² of flamed limestone at Westpark Shannon, Co. Clare.
- 700m² of sanded limestone at Copley St. Development, Cork City.



ALL DRAWINGS ARE COMPLETED IN-HOUSE. CAD DRAWINGS ARE PROVIDED FOR ALL CONTRACTS.

A PARTNERSHIP IN STONE, EVERY STEP OF THE WAY...

McKeon Stone and Creggstone view the CAD drawing of the project to determine the best stone to use

production of the blocks in the quarry

blocks cut into slabs

and then finished to exact panel dimensions

ready for delivery to site

stone being lifted into position for measuring and boring

measurements being taken for holes

boring of holes for fittings

stone being lifted into place on wall

temporary clamp to hold stone in position

retention fixing plus dowel to secure stone to wall

stone in finished position

finished wall

McKeon Stone Ltd
Quarrymasters and Stonecutters

Since 1950 McKeon Stone has been supplying natural stone products to the Irish and European markets. Quarrying in Threecastles, Co. Kilkenny, we extract large limestone blocks using world-class diamond. At our stone cutting facility in Stradbally, Co Laois, we cut and craft the stone to each customer's unique specification and design. The quality of the limestone from our Threecastles quarry is recognised as Europe's Best Blue limestone.

Creggstone Ltd

Creggstone was established in 1985 and are leading suppliers and fixers of architectural and residential stone in Ireland. We are also leading experts in stone restoration and cleaning.

Our team of qualified and experienced staff can provide expert knowledge and advice from design stage through to finished work.

customised and special commission projects

We collaborate with architects to produce customised designs and special commissions. The variety of projects we work on includes:

- Door Surrounds
- Arches and Columns
- Paving
- Steps
- Cladding
- Wall Capping
- Windows
